Northwest Chapter shares message of CUs at local seminar

The Northwest Chapter represented the credit union movement at the Women and Money seminar held at the University of Toledo on July 7. The free Women and Money educational program is provided by Ohio Treasurer Jennette Bradley and the Ohio Credit Union Foundation. Sessions provided general guidance on budgeting, credit and debt, estate planning, home ownership, identity theft, insurance/risk management, investments, children's saving, retirement planning, elder care, and supportive financial attitudes. Chapter President Paula Fought, Beth Cook of Sun FCU, Kris Downey of Bay Area CU, Sara Hanselman of OCUL, Christina Reisinger of Champion CU, and Amy Carles of the Ohio Consumers' Counsel staffed a booth at the event to share the credit union philosophy with attendees.

The Northwest Chapter shared the benefits of credit unions with attendees of the July 7 Women and Money seminar.
